Dear Mr. Huerta,

Congratulations for having been presented the Dallas 100<sup>TM</sup> award for being one of the top fastest growing businesses in the Dallas area. You have shown the creativity and resolve to achieve this kind of success.

I just thought I would let you know the Spring session of our "**Starting A Business**" course gets underway **February 1, 2011**. Not only is this a high quality course for aspiring and practicing entrepreneurs but it has proven to be an excellent course for those who want to better understand and work with small businesses.

If you could pass along the enclosed brochure to someone who might be interested we would be very grateful.

Approximately 15,000 persons have come through the course and many have built very successful businesses.

Thank you for your continued support of The Caruth Institute for Entrepreneurship.

Best Personal Regards,

Jerry F. White, Director
